FOREWORD

Statistical Information is indispensable for successful plan formulation of the district, District Statistical Hand Book plays a vital role on the formulation of need based resource oriented decentralized planning at micro level.

The present edition of District Statistical Hand Book 2011 compiled by the Statistical wing of DPMU, Bhadrak contains important basic information about various socio-economic aspects of the district.

I am sure this hand book will be immensely helpful to the Planners, Administrators and Research Scholars.

Efforts of Officer and Staff who were actively associated with the 9th issue of District Statistical Hand Book are commendable.
