

Letter No. 4278 /DES/Tech-Price-57/2021

Date. 19-08-21

From

Dr. B. B. Nanda,
Director.

To

The Deputy Director (P&S) / Asst. Director (Stat.)
Of all DPMUs

Sub: District wise & Crop wise Crop Calendar and submission of data, thereof.

Madam / Sir,

You are well aware of the fact that, the Agricultural year 2021-22 has been started from July 2021 and necessary data flow on Farm Harvest Price / Producers Price / Wholesale Price / Retail Price is required to be done in proper format more meticulously in a time bound manner.

While scrutinizing the filled-in-schedules received from the districts, it is observed that in most of the cases some districts are submitting blank schedules and in many cases some of the items are left blank. Such hazardous way of schedule submission put Price Division in trouble to compile monthly price data in routine manner.

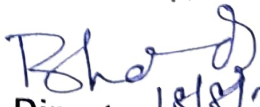

Thus, in order to make the data flow in right manner, it is instructed that, while filling the schedule, the enumerator should be well conversant with the District wise & Crop wise Crop Calendar of Agriculture Department (Copy enclosed). Besides, if any crop produced in the district and not reflected in the Crop Calendar, the same should be reported.

You are, therefore, instructed to follow the observation scrupulously and submit all filled-in-schedules of price scheme to DES latest by 10th of succeeding month through the staff dealing with scheme.

Encl: As above

Yours faithfully,

Memo No. 4279 Dtd. 19-08-21

Director 18/8/2021

Copy to Joint Director (Stat), all ranges for information and necessary action.

Director 18/8/2021
