PREFACE

The present "District Statistical Hand Book -2015" is the tenth volume of sambalpur district after bifurcation. The preparation of this book took special efforts to make the data in usable forms. The socio-economic indicators of the district have been duly reflected in respective chapters block/ULB wise. The state vis-à-vis district figures in some fields will enable the researches to make comparative study in major sectors. I express my deep gratitude to Sri Samarth Verma IAS, Collector and District Magistrate Sambalpur who attributed valuable time to go through this manuscript and without his inspiration and advice it would not have been possible on my part to present the draft of this book. I wish to record my appreciation and thanks to the district level officers for their co-operation in making the data available for preparation of the Hand Book. The useful suggestions for improvement of the quality of the Hand Book by the users are always welcome.
