World Population Day
2012

Esteemed Readers

We proudly observe "World Population Day" with rational thinking of universal access to reproductive health services, because we believe in and acknowledge a "quality" not quantity human race.

Bangladesh	58 (2010)
Indonesia	28(2010)
China	17 (2010)
U.K.	4.7(2010)
Japan	2.7 (2010)
World	44 (2010)

"Health is soul that animates all the enjoyments of life, which fade and are tasteless without it".
Lucius Annaeus Seneca

"Without Health life is not life; it is only a State of Langour and Suffering - an image of death".
Buddha

"When the family is small, whatever little they have they are able to share. There is peace".
Philip Njuguna
